

# FRESHMAN ADVISING CHECKLIST

## SCHOOL OF ENGINEERING & COMPUTER SCIENCE

- 
**Schedule a Group Advising Session via Navigate**

A scheduling link will be sent to your [Baylor E-mail](#) beginning May 23. Group sessions will be offered via Zoom throughout the month of June. Be sure that your group advising appointment does not conflict with your Orientation and Baylor Line Camp sessions.
- 
**Prepare for Group Advising**
  - Complete [Foundations](#), a set of online modules that will help prepare you for Baylor!
  - Access your [goBaylor account](#) and...
    - Complete the New Student Questionnaire.
    - Access any placement exams necessary before registration.
    - Verify that your major appears correctly. To update, contact your [Admissions Counselor](#) and notify [ECS\\_Advising@baylor.edu](mailto:ECS_Advising@baylor.edu) of the change.
  - **DOWNLOAD** the Navigate Baylor App and ensure registration holds have been resolved.
  - View [Equipment & Computer Requirements](#) for your major.
  - Download the flowchart for your degree program on the [ECS Advising webpage](#), and ensure you can edit the PDF. You'll mark up your flowchart electronically during your group advising session.
- 
**Participate in Group Advising Session {1 hour}**

You will have the opportunity to build connections with your future classmates! ECS Advisors will review the advising process and guide students through course selection.
- 
**Submit ECS Registration Form**

You'll receive this form after your Group Advising session to upload your completed flowchart, share schedule preferences, and list any expected transfer credit. Your advisor will then build your schedule and set up your One-on-One Advising Check-In.
- 
**One-on-One Advising Check-In {15 minutes}**

Your assigned advisor will review your Fall 2022 schedule with you, address any questions/concerns, and ensure that you feel prepared for your transition to Baylor!
- 
**Post-Registration Steps**

After you have been registered, you can buy a meal plan, register a vehicle, and address other important action items - access the complete list [HERE](#).
